AGM

Just a reminder that the Associations Annual General Meeting will be held at Duxford on Sunday 18th at 1pm.

For new members arriving by car to the meeting the procedure is as follows. Phone Bob Hope (01554-890520) as soon as possible and give him your vehicle registration number, & driver and passenger names.

Bob will then compile a list that will be handed into the guardroom as a security check.

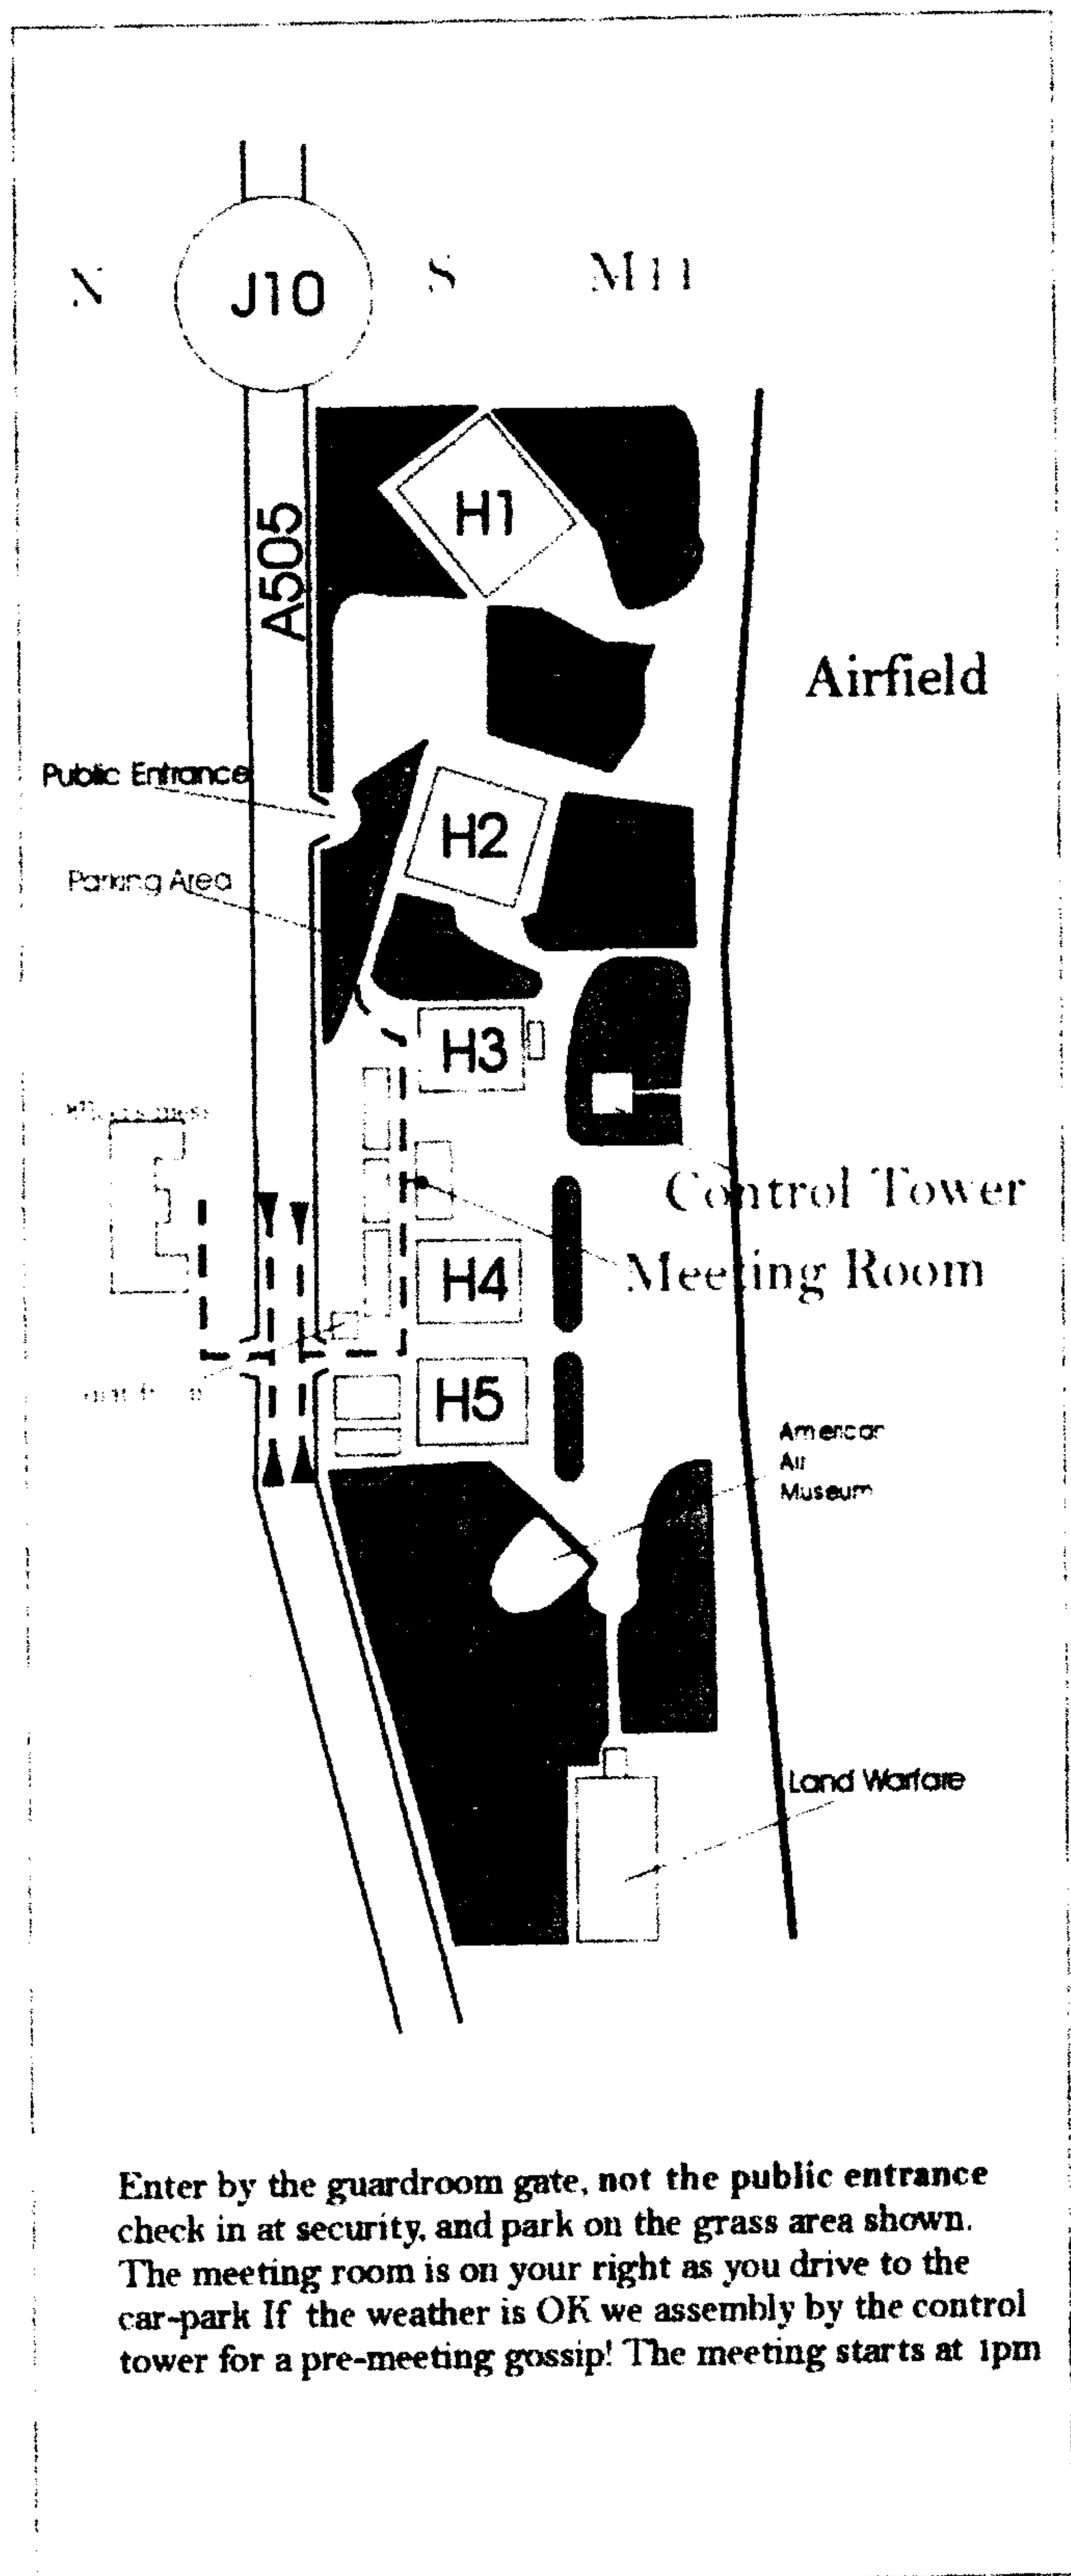

On the day each person on the list will have to pay £2.50 attendance fee, that includes those who come to visit the museum but do not attend the meeting. All of this money goes to the museum, and prompt and full payment ensures our continued welcome in the months to come! You may pay George Poole at the same time as you pay your annual subs (Hint)

Directory

Enclosed is the annual update of the membership directory, as you can see the format has changed from that of previous years. The reason is twofold, first to comply with the latest Data Protection Act, and second to reduce the number of pages per print.

Please check you entry and let me know if there are any errors, and where possible it would be nice to fill in the gaps regarding your details whilst at Duxford.

See you all on the 18th

Enter by the guardroom gate, not the public entrance check in at security, and park on the grass area shown. The meeting room is on your right as you drive to the car-park. If the weather is OK we assemble by the control tower for a pre-meeting gossip! The meeting starts at 1pm
